The Last Coach: A Life Of Paul Bear Bryant

The legendary Paul "Bear" Bryant is recognized nationwide as one of the greatest coaches ever. So why did he always cite his 1-9 A&M team of 1954 as his favorite? This is the story of a remarkable team - and the beginning of the legend. The Junction Boys tells the story of Coach Paul "Bear" Bryant's legendary training camp in the small town of Junction, Texas. In a move that many consider the salvation of the Texas A&M football program, Coach Bryant put 115 players through the most grueling practices ever imagined. Only a handful of players survived the entire 10 days, but they left the intense heat of the Texas sun and the burning passion of their coach, and turned a floundering team into one of the nation's best. The Junction Boys is more than just a story of tough practices without water breaks. An extraordinary fellowship was forged from the mind-numbing pain. The thirty-five survivors bonded together like no other team in America. They profited from the intense heat of Junction, to the knowledge that they would face throughout their careers. This book is a tribute to the South and the legacy Coach Bryant left behind. In adivine era, Bryant gave Alabamians something to be proud of. And, he simply was the greatest football coach of all time.

Becoming a Professional Life Coach: Lessons from the Institute of Life Coaching Teach

The definitive portrait of Paul "Bear" Bryant, the most successful college football coach in history. Just five weeks after coaching his final football game for the University of Alabama, Paul "Bear" Bryant passed away. The impact he had on the state of Alabama and the entire college football world cannot be overstated. Twenty-five years as the head coach of the Crimson Tide, and thirteen years before that at Maryland, Kentucky, and Texas A&M, Bear Bryant's outsized personality and deep charisma made him the dominant figure in the world of college football, turning boys with ordinary talent but extraordinary heart into winners—both on the gridiron and off. At Alabama, Bear Bryant would go on to become the winningest coach of all time, achieving the best record in the country in both the 60s and 70s. He is the only coach to win national championships with both segregated teams and integrated ones. His secret lay not in any strategic brilliance he brought to the game, but in the kindness he showed to the young men he influenced. That ability made him a great coach. But to many, Bryant represented more than just a coach: He was everything a southern gentleman was supposed to be—tough, principled, charismatic, modest in victory yet quick to assume blame in defeat, and as middle-class as where he was born. He was not only the man and tremendous ability to succeed, it's also a tribute to the South and the legacy Coach Bryant left behind. In adivine era, Bryant gave Alabamians something to be proud of. And, he simply was the greatest football coach of all time.

Coach: Lessons on the Game of Life
A reissue of Paul “Bear” Bryant’s autobiography, this edition features a completely new introduction and an accompanying audio CD of Bryant himself, in his own voice, talking about his life and football. It’s all here, in his own inimitable words and with a candor that is both remarkable and eminently revealing. From his hardcared youth as the third youngest of 13 children of a dirt-poor farm family in Murphy Bottom, Arkansas, to his playing days at the University of Alabama and fortuitous marriage to the remarkable Mary Harmon Black, to his first stabs at coaching as an assistant coach, to his 38 years as a head coach, coaching marquis names like Namath and Crow and Partill, to his 323 victories and a record six National Championships.

Bear
A provocative and revelatory new biography of the legendary UCLA coach John Wooden, by one of America’s top college basketball writers No college basketball coach has ever dominated the sport like John Wooden. His UCLA teams reached unprecedented heights in the 1960s and ’70s capped by a run of ten NCAA championships in twelve seasons and an eighty-eight-game winning streak, record that still stands. Wooden also became a renowned motivational speaker and writer, revered for his “Pyramid of Success.” Seth Davis of Sports Illustrated and CBS Sports has written the definitive biography of Wooden, an unflinching portrait that draws on archival research and more than two hundred interviews with players, opponents, coaches, and even Wooden himself. Davis also documents how hard Wooden strove for success, from his All-American playing days at Purdue through his early years as a high school and college coach to the glory days at UCLA, only to finally discover that reaching new heights brought new burdens and frustrations. Davis also reveals how at the pinnacle of his career Wooden found himself on questionable ground with alumni, referees, assistants, and even some of his players. His was a life not only of lessons taught, but also of lessons learned. Woven into the story as well are the players who powered Wooden’s championship teams: Norm Van Lier, Sherm Lollar, Bill Walton, Waddy Haze, and others—many of whom speak frankly about their coach. The portrait that emerges from Davis’s remarkable biography is of a man in full, whose life story still resonates today.
